**Thank you to everyone who signed up for November – coverage is great again this month! If you signed up for a specific day; however did not make it onto the calendar, it's because we had more than enough volunteers for that day. If you can be there for any of the days where coverage is light (especially a couple of Mondays and Tuesdays) please email JoAnna Kratz ([djkratz@comcast.net](mailto:djkratz@comcast.net)). Remember, we really need you on those rainy days so there is coverage in the classrooms. THANKS SO MUCH!**
