Thank you to everyone who signed up for October – coverage is great! If you signed up for a specific day; however did not make it onto the calendar, it's because we had more than enough volunteers for that day (Wednesdays seem to be the most popular). If you can be there for any of the days where coverage is light (Mondays and Tuesdays) please either email JoAnna Kratz (djkratz@comcast.net) or just show up. THANKS!
